ADVENTURE

Inspired by Brighton's Beach Hut Advent Calendar, this popular initiative brought to you by St Mary's Church, once again invites you to share these fun pop-up events.

This year our theme is 'Hope'. The Oxted Adventure brings a creative and inspired way for us to journey through the season of Advent. Like many of those central to the nativity, we find ourselves searching for meaning, and yearning for hope. We trust that each day of the Oxted Adventure will draw us closer to both of those things. Our celebrations during Advent help us look forward to the wonderful themes of Christmas, and as we journey, we may find something new – new friends, new inspiration, new community, new hope. We hope to see you!

*So come along...* join us for to 1 or 2 nights, or follow the map from start to finish, meet your neighbours and celebrate Christmas with your community.

*How much hope can you generate?*

9	10	11	12	13	14	15	16
17	18	19	20	21	22	23	24

*Merry Christmas to one and all...*

Every night throughout December, a different location or small space around Oxted will open up between 6 and 7pm and invite you to join them for a free festive experience. In some there will be music, in others art or craft activities. Enjoy a glass of mulled wine or hot chocolate whilst joining in with the festive creativity. Bring your own mug and you will be helping us to reduce our use of plastic.
